As the days seem to get longer and the nights get shorter we realize that school is approaching. Things become more monotonous and the excitement seems to leave. We miss the joy we had throughout our summer and except the troubles of school. Some are looking forward to this day and others are regretting it. The freshmen are looking forward to a new life in high school while the seniors are looking forward to getting out. The sophomores and juniors still regret the years past and the years to come.

Many school activities come to brighten the dullness. We realize that learning isn't so bad with the fun that breaks it up. We look forward to rallies at snack and dress-up activities at lunch.

We all look forward to our high school games and activities. We look forward to the winter formal and prom, homecoming, and graduation. We go to our football games to cheer our teams on. We are excited whether we win or lose.

It's hard to imagine that after graduation there will be no more games. The rallies that prepared us for spirit and the half-times that kept us going gave us this attitude.

We've always had our friends to share the good times with. We also have our fond memories so that when we look back at high school we realize it has never been better.

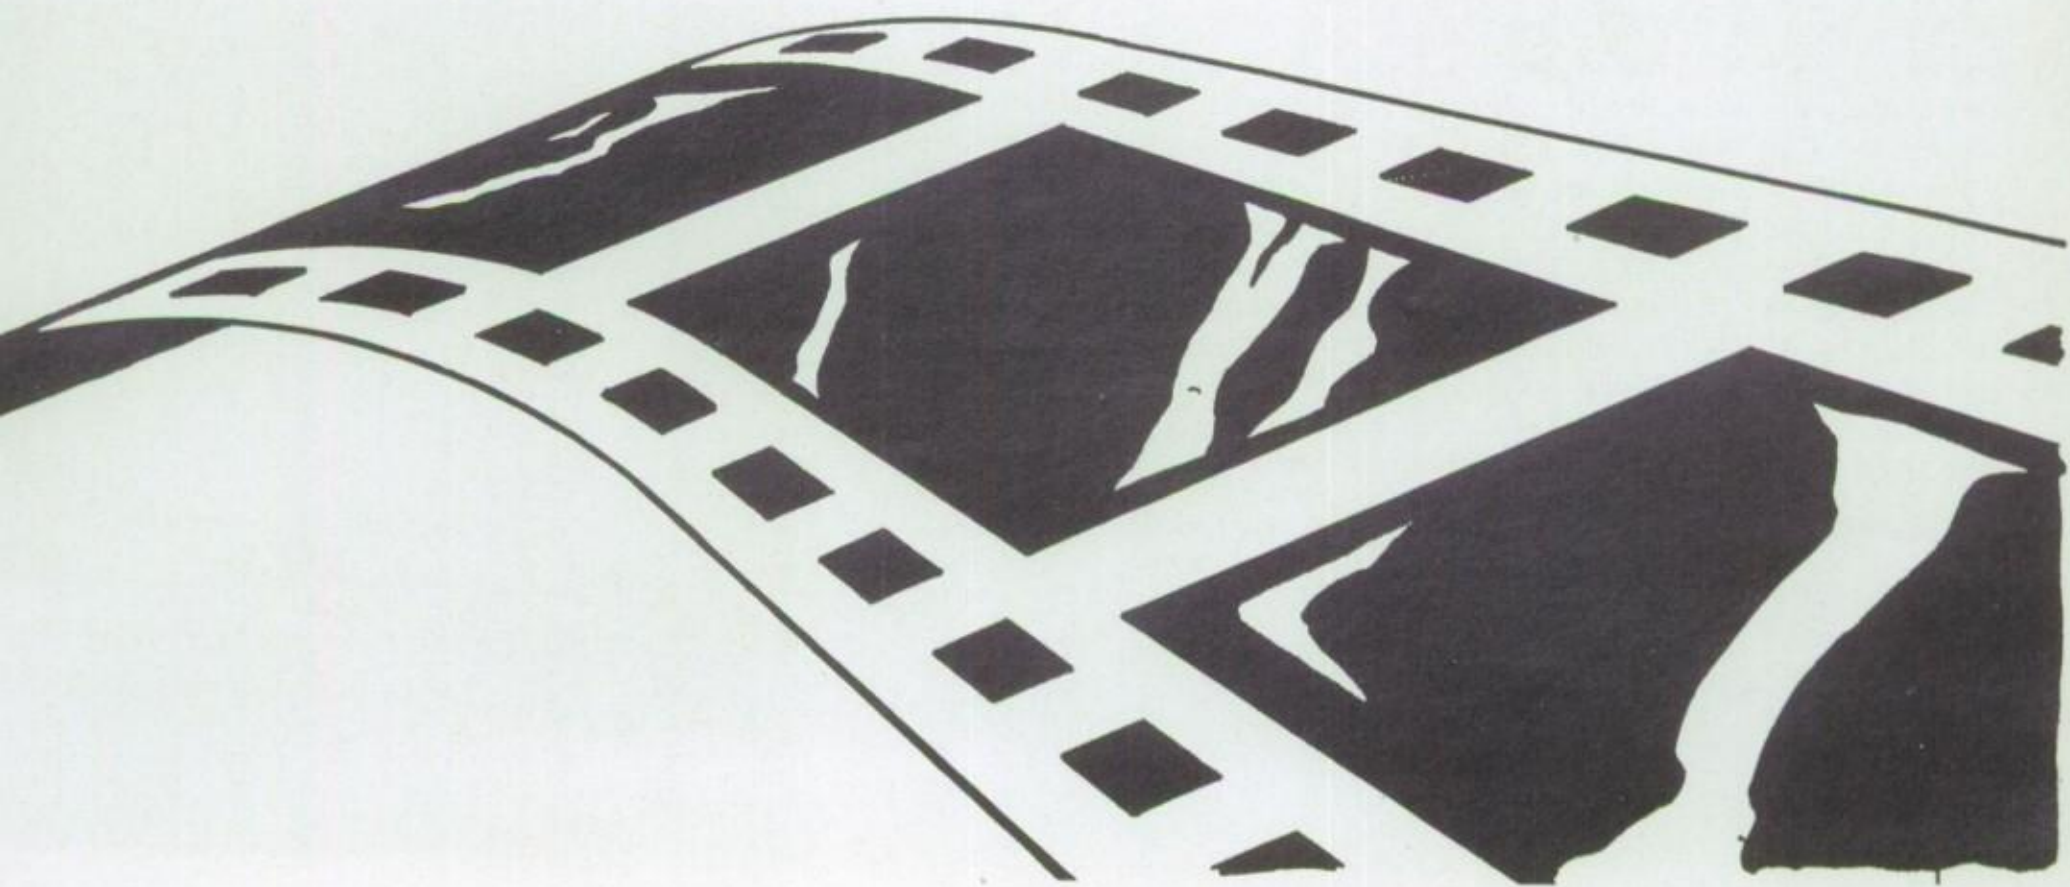

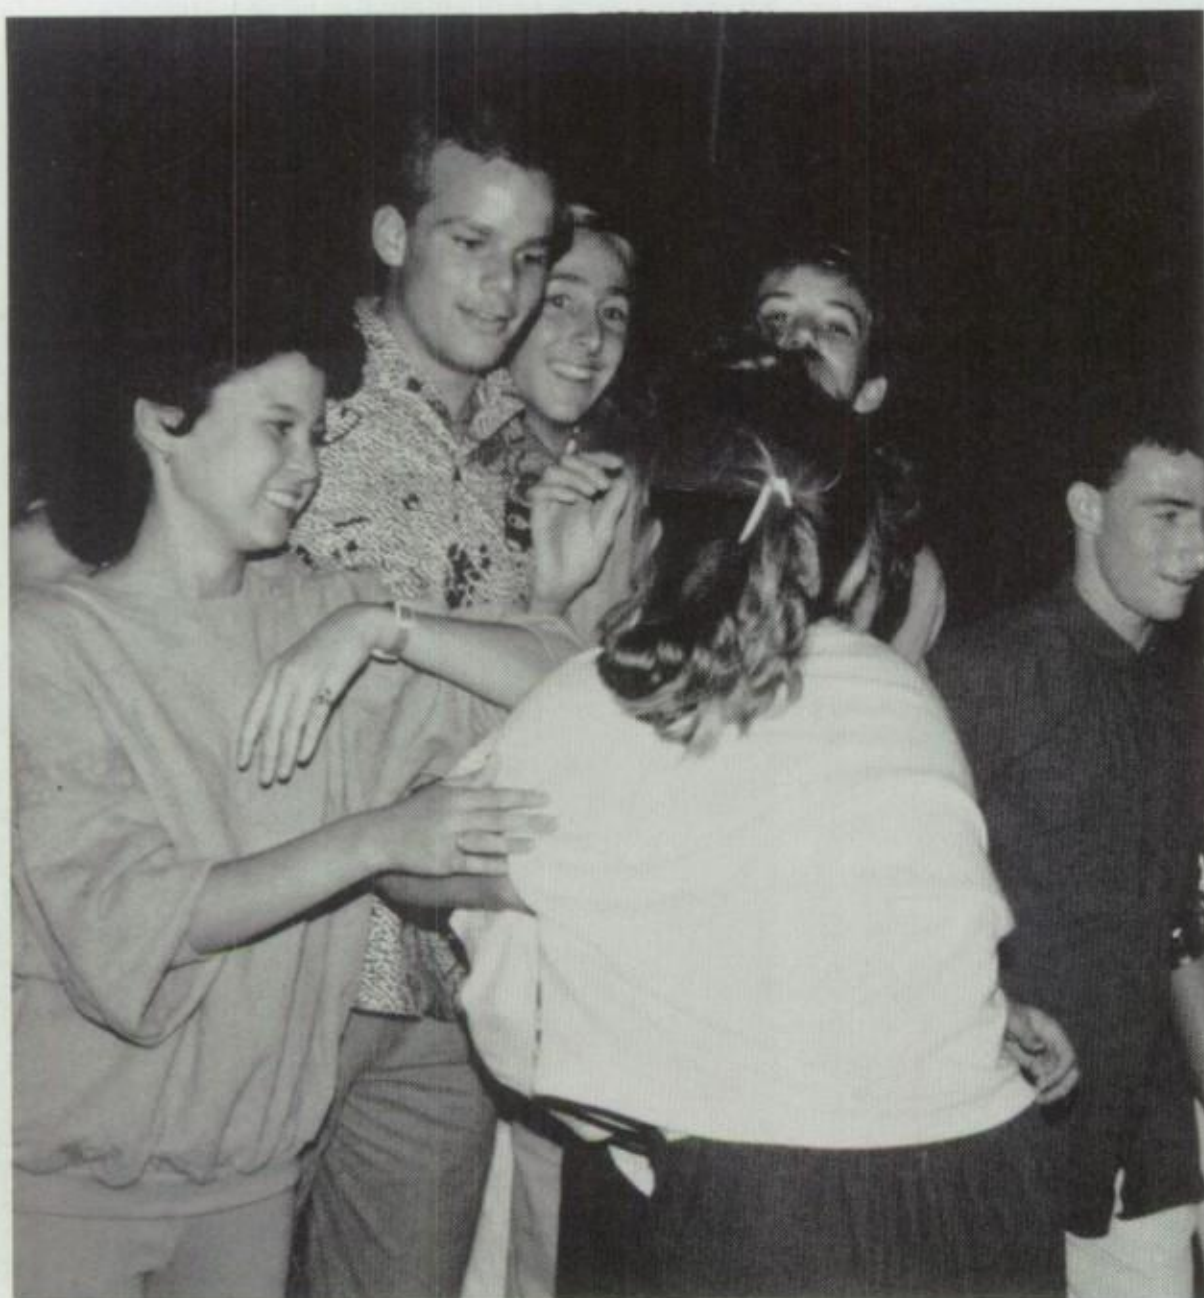

# JUNIOR CLASS LEND A HELPING HAND

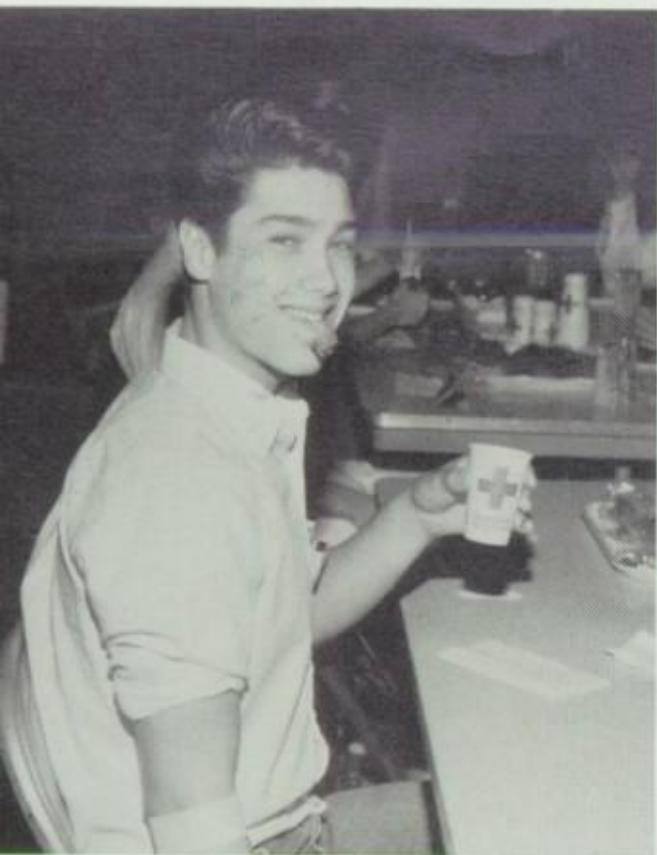

2

The first dance of the school year 86-87 was held by the Junior Class. Music was provided by Kepi-Hawaiian Tropic from 8:00 pm to 12:00 am. However, this was not an ordinary dance. It was a benefit dance to help raise money for the Cerritos Disaster Fund. The Junior Class officers: President, Mike Warren, Representative, Kasey Blackford, Vice President, Heather Ray, Secretary, Brooke Johnson, and Treasurer, James Hernandez the Junior Class dance committee put on a very successful dance. Half of their profit, \$751.98 went to the Disaster Fund to help the victims of the tragic accident that occurred on August 31, 1986. The other half of the profit was used to put on one of the best Prom ever.

# H<sub>2</sub>O POLO

This year our water polo teams showed that they can stick it out. The opposing teams were tough this year and our teams proved to be better and stronger than last year. (Tim Kramer and Gavin Cook broke last years record with 87 goals. Gavin really deserves the title as this years MVP. Kevin Vaughn broke the record with 154 saves. JV put up a good battle also. Defeating Gahr made it an even better season. Brian Wineke made MVP and David Smith is the most improved player with 103 goals blocked. It was a great season for our Waterpolo teams and they deserve much recognition.

# VARSITY AND JV TENNIS

The 1986-87 Varsity Tennis team once again took another championship. Except this year there's a change, co-champs with Warren. They finished with an overall record of 17-2 and league record of 11-1. # VARSITY'S ON THE RUN

This years MVP for the Boys Varsity X-Country team is Steve Rubio. Russ Goodman was named most improved. Cerritos finished 0-6, which made them tie for sixth place. Some of the stats are Steve Rubio 16:11, Russe Goodman 16:52, Yoon Lee 17:22, and Mike Brayard 17:30. Some of the comments made were that the times were quicker this year, also Steve Rubio did an outstanding job for a first time runner. The only comparison we have to last years team is that last years team finished 4th. Good job, guys!!

# JV'S GOT 'EM RUNNING

X-Country had a pretty good season. Charles Soon was the MVP, with a league record of 2-4. Their win over Downey was the most memorable game. Some of the stars were as follows:

Mike Brayard 17:30

Charles Soon 18:04

Scott Rudkin 18:27

And for the most part, they had an all new team this year, so they have much to be proud of.

# GIRLS CROSS COUNTRY

This years Varsity X-Country did great! Jere-lyn Tague was MVP for 1986-87. This years most improved player was Bonnie Johnson. The coaches award went to Jennifer Horn. The league record was 3-3. The only comparison to last years team was that only 1 out of the 7 girls on the team returned from last year. They did great for such newcomers.

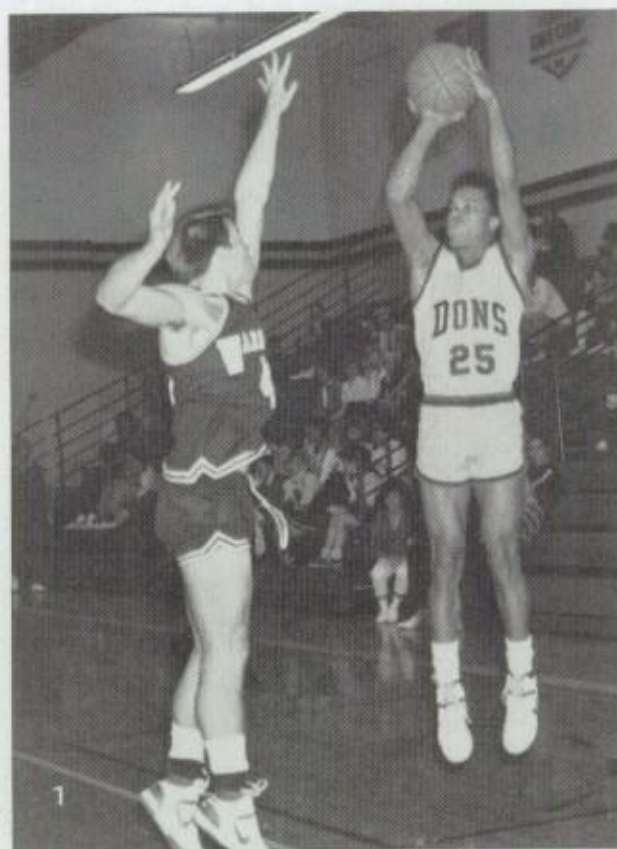

# VARSITY BASKETBALL GIVES IT THEIR ALL

## MR. DESBOROUGH RETIRES AS HEAD COACH

The Varsity Basketball team ended the year with an overall record of 7-17 and league record of 2-10. With a quick but smaller team, the Dons worked and played hard throughout the season. The most memorable games were against cross-town rival Gahr, which were not decided until the final minutes of the game, only losing by a margin of 1 and 2 points. The team was led by senior team captain and MVP Eguene Humphrey who averaged 20 points and 5 rebounds and by senior Jerome Harry who averaged 13 points and 6 rebounds per game.

This was the last season for Coach Desborough. After 18 years, Mr. Desborough has decided to retire as head coach. During his coaching career, he has had 3 league championships and 6 CIF play-off appearances.

# THE EXCELLENCE OF

## SGVL CHAMPS AND C.I.F. QUALIFIERS

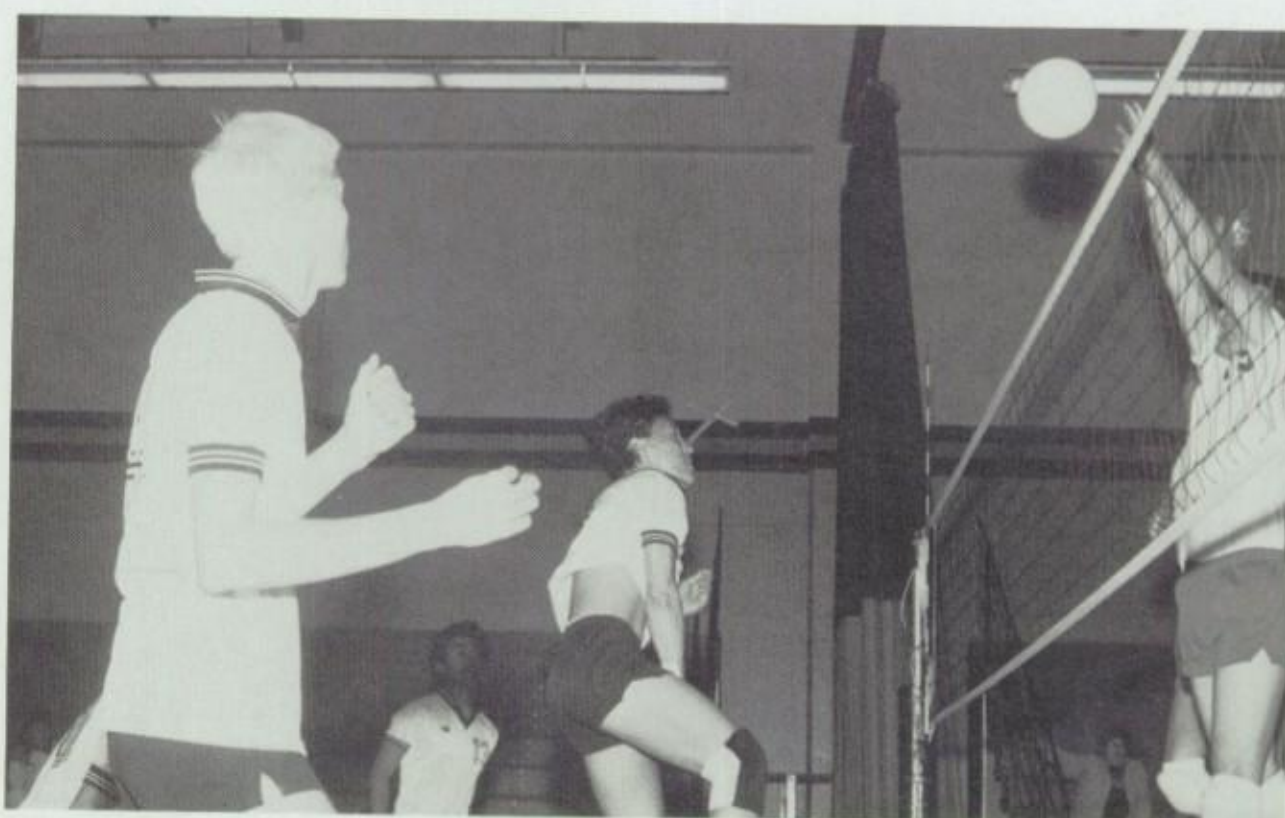

The 1986-87 school year was truly a great year for CHS. With 11 teams and 3 individual athletes qualifying for C.I.F. and four teams taking league titles, CHS had an excellent year.

With the girls' and boys' swim teams taking the SGVL once again and with our Girls' Varsity Soccer team winning the Whitmont league and again our Girls' Varsity Soccer team winning the Whitmont league and again our Girls' Varsity Tennis team had an excellent performance throughout the season, walking away with the SGVL.

The Girls' Varsity Volleyball team after five years qualified for C.I.F. with their will to succeed, and with this year being our first year with a Boys' Volleyball team they too with their hardwork qualified for the play-offs. The Varsity Baseball team didn't break tradition by also qualifying, along with the Varsity Softball team. With the time, dedication and hardwork put in by each of the athletes, they made CHS proud of our athletic program. CHS athletics has NEVER BEEN BETTER.

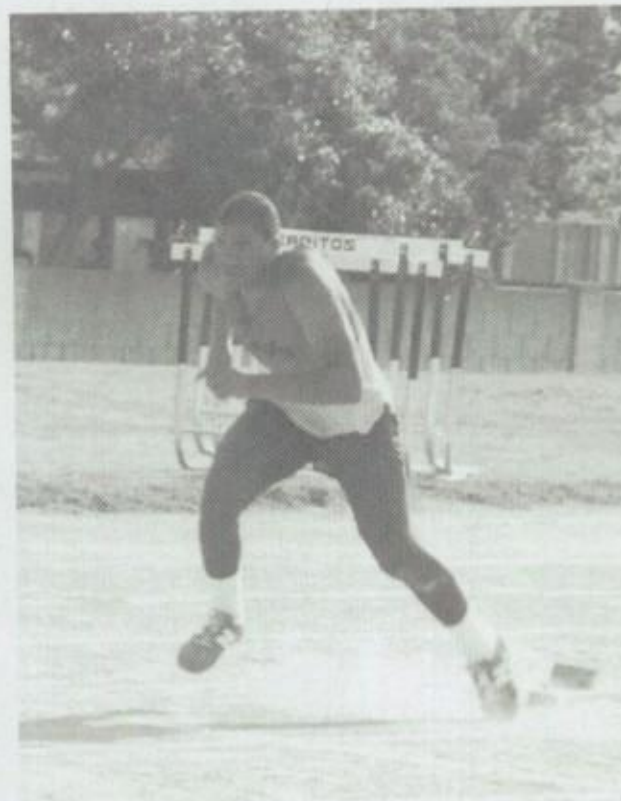

# CHS ATHLETICS

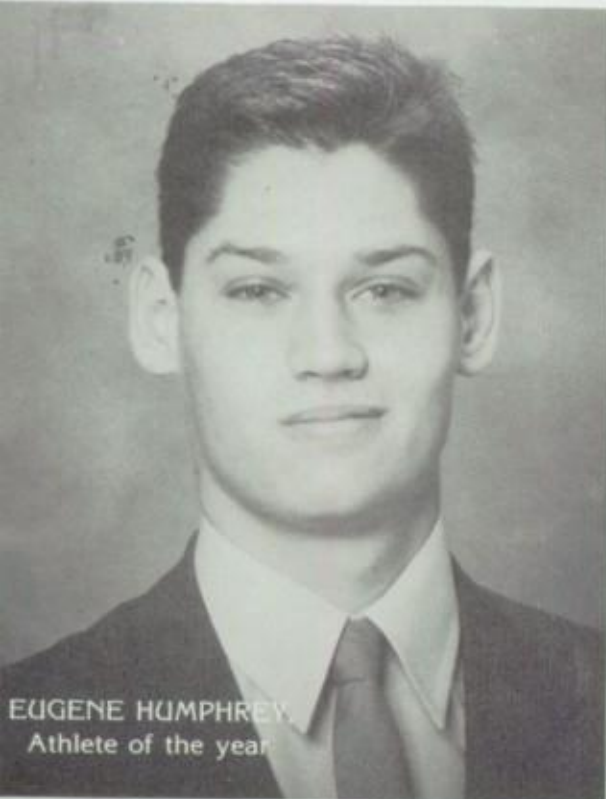

# THE YEAR IN SPORTS

What a awesome year!! With many teams throughout the season winning league and qualifying for C.I.F. we had alot to cheer for. With the athletes putting in their time into practices it really did pay off. There were tough times that the teams faced, but we always had a way to pull through it. Along with the Varsity teams, the J.V. and Frosh-Soph. teams also worked hard to be the best they could be. The teams never gave up when they were down, but always tried that much harder to come back to win. Yes, throughout the season all the teams put in all of their dedication, and all came up winners. Way to go Dons!!

This year's ASB Cabinet did a terrific job keeping our student body active in school projects. They began by planning a well organized Freshman orientation and continued with Freshman elections. Thanks to the ASB, Homecoming was especially spectacular as well as a fine spirit week. Following that, this group planned the ASB and class elections and continued the tradition of the CHS Nominating Convention. As always, the Cabinet completed the year with a successful Don Fiesta.

The ASB, however, never neglects the community. They also sponsored two successful blood drives and a can food drive during the Christmas season. Their big service project of the year was the MDA Dance co-sponsored along with other schools in the district. ASB is a cast in which all must work together and as always, they come ahead of the crowd!

# SWSC IS PRETTY IN PINK

The Senior Women's Social Club once again has had a terrific year. With the return of Sue Audeh as club advisor, the executive board was able to plan luncheons for waterpolo, football, baseball, basketball, and a farewell banquet for graduates. In addition, the club carried out its traditional "Senior Male Sale" and planned trips to go ice skating, horseback riding, and having fun at the beach. Upholding the tradition of keeping senior women socially active is what the Senior Women's Social Club is about.

As in the previous years, this club participated in various fundraisers such as candy sales and a booth at Don Fiesta. Also, for the first time, the Math Club joined a National Math Organization which was a very prestigious step for this club. To end a great year the Math Club again sponsored the Annual Math Contest.

# SCIENCE CLUB HAS SUCCESSFUL YEAR!

The 1986-87 Science Club had a very successful year under the excellent leadership of President Parag Soni and Advisor Mr. Ziolkowski. Throughout the year, this club sponsored various events such as Science Week and the 1987 Talent Show. The club also went to Griffith Park, the Imax Theater, the Museum of Science and Industry, and even got the chance to see tapings of "Silver Spoons" and "The Dating Game". An interesting but enjoyable trip for the Science Club was visiting Cerritos Elementary School to do experiments for the students.

The accomplishments of the Science Club seemed to be endless. One of their highest honors was being named "Club of the Month" twice for the months of September and December. Club spirit was proudly shown when the club placed 2nd and 3rd in the Club Volleyball Tournament. The Science Club also initiated the first Campus Clean-Up Week and Science Tutoring Service.

This year's Science Club proved to have had a very fun and worth while year. This club showed us once again that science is fun!

Cerritos has one of the finest foreign language departments. Two of our teachers, Ms. Telles-Brookhart (left) and Mr. Gutierrez (right) are excellent examples. Both are very involved with our school both academically and with extra-curricular activities. Ms. Telles-Brookhart is the Class of '87 advisor. She has aided the organization of the prom, numerous fund raisers, and Senior Day. Mr. Gutierrez is the Spanish Club co-advisor and has organized free lunchtime tutoring for Spanish I and II students. We thank these two shining examples of faculty for all of their time and extra effort.

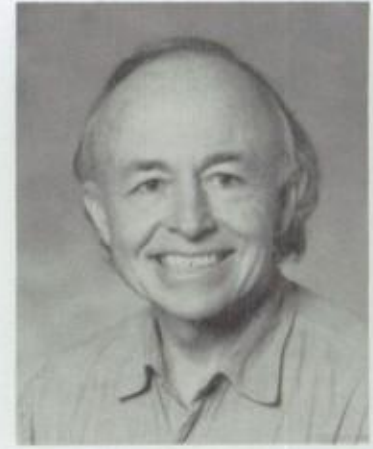

# WE HAVE EFFORT THAT COUNTS

A part of what makes Cerritos High teachers special is their EFFORT THAT COUNTS. Starting with the Freshmen year, students take rigorous courses that include World History Honors and Biology Honors. The next three years continues the on going process towards a University.

The UPS program has undergone some major changes. More and more honors and AP classes have been added. Moreover a new advisor, Mrs. Rach, has come to lead the students. Mrs. Rach looks forward to working with the students.

# ACADEMIC DECATHLON GETS A "10"

The Cerritos Academic Decathlon Team once again did Cerritos proud. Composed of six competitors, and this year one alternate, the team won many individual awards and a third place overall in the Super Quiz competition. The six competitors competed as a team and individually. The team was composed of six of the school's top students, organized by GPA. The honors squad, GPA's of 3.8 and above, was comprised of Lisa Lee and Ho-Ping Lin. The scholastic squad, GPA's of 3.0 to 3.79, was made up of Karen Joynt and Lance Morimoto. Chuck Sasaki and Robert Fan comprised the varsity squad.

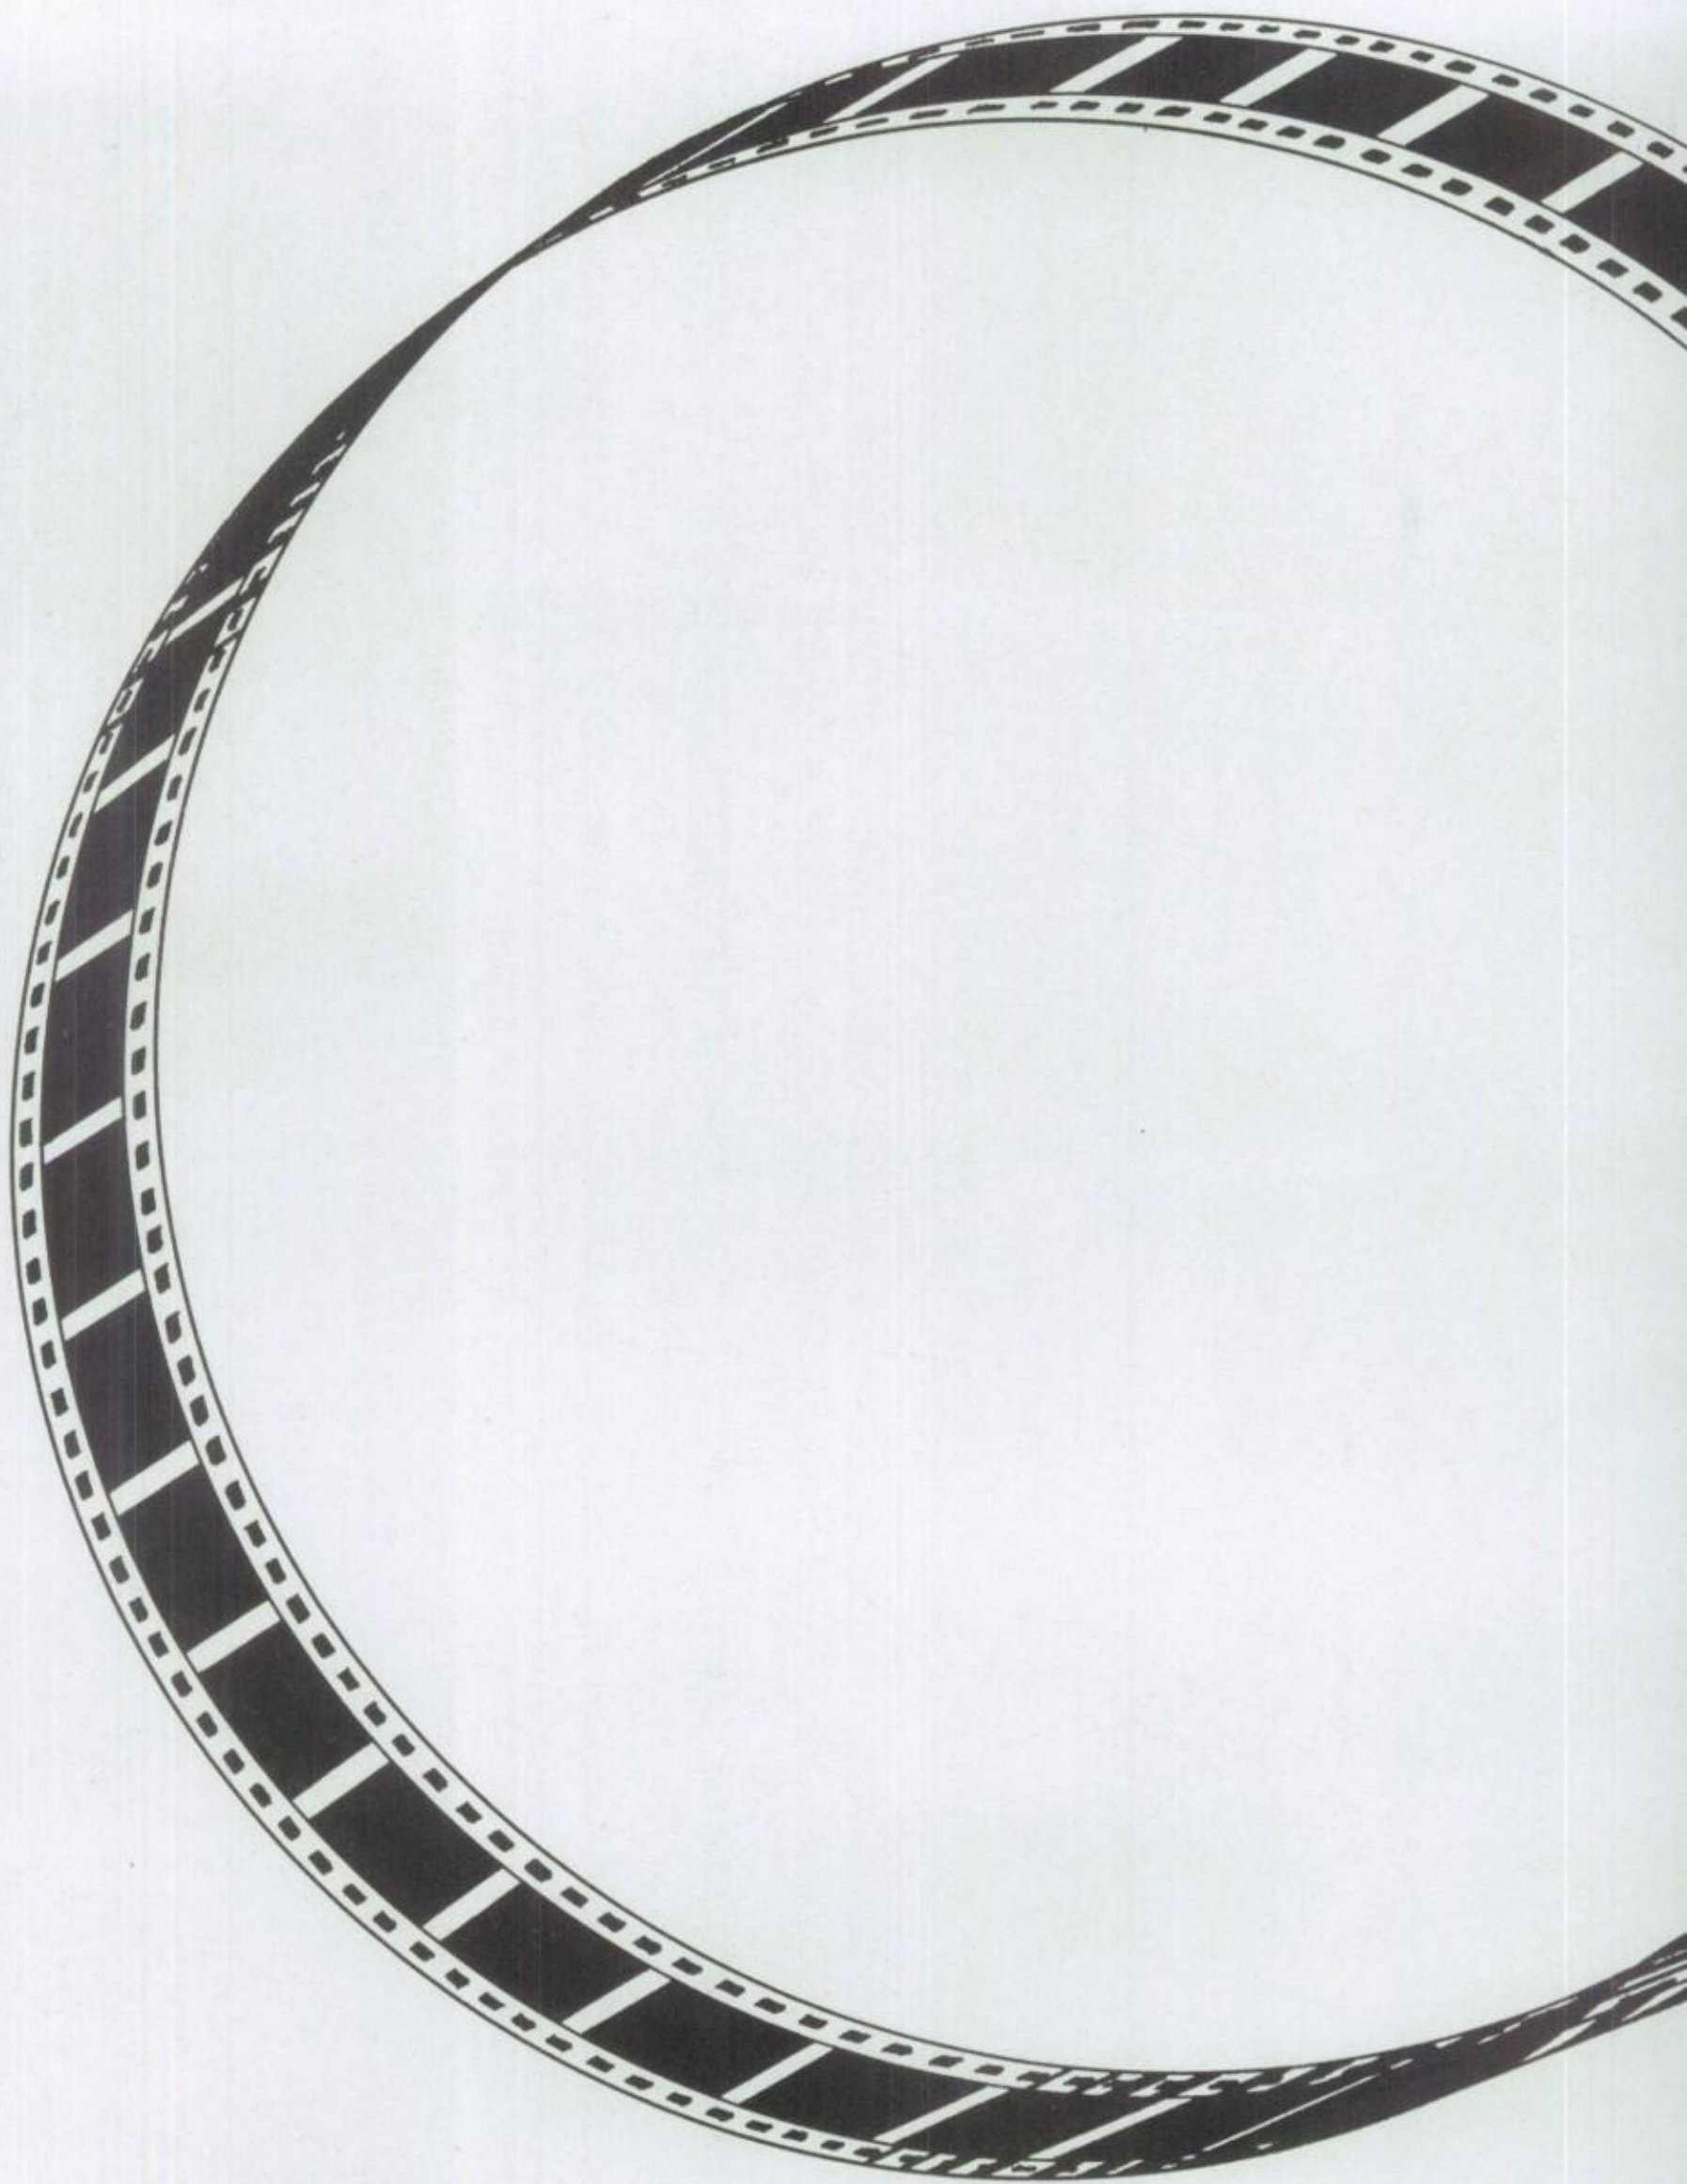

The Academic Decathlon team worked and studied hard. There were ten subjects of study including such subjects as Renaissance History, Astronomy, and Economics. Though there was a great deal to study, the team still managed to have fun. The team took several trips to such places as Del Mar and Big Bear. The main goal of these retreats was to cram for the tests, but everyone enjoyed themselves. Study trips to the J. Paul Getty Museum complemented the experience. Finally, the awards banquet at Quiet Cannon Country Club in Montebello was a nice way to finish off the Academic Decathlon. The Academic Decathlon team will always cherish the competition for the fun, the memories, and the new friendships made.

Well, this is it- our last good-bye,  
I think of the past and begin to cry.  
We've had our ups and  
We've had our downs  
but you've always been there to erase  
the frowns.  
We've had alot of fun over the years,  
sharing our secrets,  
curing our fears.  
All the things that we've been through-  
Dances, parties, and Naugles too!  
Forever friends we'll always be-  
Though someday we might lose touch,  
In my mind you'll always be

I really miss you this  
year (87-88) - wish you were  
here. Was Chapel's class a blast  
or what? (don't say "what"! ) Seeing  
your smiling face made my day!  
Even when I was so out of it,  
I couldn't help smiling back at  
you. Thanx for being a great (dear)  
friend. You better take care of yourself  
or I'm gonna haunt you. :)
